THE EMU POINT BOWLER

New player Todd Jefferis was feeling pretty chuffed after winning his first tournament with potential new member Karen Dye from Broomehill.
Seen here presenting her magnificent perpetual trophy (the John Cook Memorial Trophy) was Pat Cook with Captain Ken. In second place was the pair of Mike and Deb Pooley from Mid Beach and third were Allen Poor and Albanys Karen Millar.

The day was a great success with a full field, good weather and a lovely afternoon tea presented by our hard working ladies.

Sorry for the early midweek edition. Editor is going to Country week this weekend.
