

THE EMU POINT BOWLER

1ST OCTOBER 2018

Welcome to the first edition of the new season.

Most of our members are by the Eagles on the

still on a high after the glorious win weekend.

Wots this?

Past President Wal and Captain Len welcomed fifty five enthusiastic members including several new members to our Opening Day.

There were three highly respected members there to roll the first bowls of the season. The first was 90 something year old long time enthusiast Mavis

Bennetts who rolled an almost perfect bowl straight up.

Second, and showing his usual immaculate style was Barry Spence.

Note the big crowd behind giving him some applause.

Lastly Margaret Connell, who has done just about everything during her time at the Club is showing her typical pose as she delivers.

Men are reminded to put their names down for the upcoming Mens Club Triples Round Robin next weekend starting at 1 pm on Saturday.

Wishing all members a wonderful season of bowls during this summer.
