

THE EMU POINT BOWLER

APRIL 28 2019

SUMMER SCROUNGERS had their final day on Tuesday with the King of Scroungers day. Congratulations to our summer Scroungers Captain Geoff Sadgrove and helpers Tom and Stan for running an excellent program this season. We all enjoyed Geoff's weird Kiwi humour along with his great diplomatic skills. King of Scroungers this season was Peter Hewson and The Queen (runner up) was Phil Ramsden. Winter Scroungers starts next week.

LEGACY DAY. This year it was combined with Albany Bowling Club. A very pleasant day was held. Gib Trethowan skippered the winning team and some \$400 was raised to assist the families of soldiers who went and fought for our country. Lest we Forget.

AGM. The Club AGM will be held straight after social bowls this next Thursday 2nd May at 4.30 pm. There are some contentious issues to be discussed including a change from white to coloured pants and if, then which colour. Also whether the winners have to be present to receive their prize. If you feel strongly about this then come and have your say and vote, the decision will be final.

Our new entrance ramp and front door as part of the new disabled facilities was put into action for the first time on Friday evening. Welcome Tina and helpers, who appreciated the smooth entry into the building with a big smile.

Forty one players enjoyed balmy conditions on Saturday afternoon to play social bowls. Phil Ramsden and Anne Flint romped away from the field to take first place from Wally Mycock and Maureen Turner.
