THE EMU POINT BOWLER

Regular visitor Chris Squires from Quairading won the scroungers competition on Tuesday from perpetual winner Phil Ramsden whose handicap pushed him into second place.

THURSDAY social bowls saw 42 players enjoying a pleasant afternoon playing pairs despite the drizzly conditions. Jim Hyde and Anne Flint had a runaway win with 6+30 from John Carpenter and Paul Groves, second with 6+21.

Some of our ladies travelled to Hopetoun last week. Jan, Joan and Jenny with Karen Ward from Dumbleyung had a good time but no Guernsey. Yvonne Shalders was part of a composite team that came a creditable third.

I got this one from Prakash. I think it is his and Gibbys weekly routine between the top of his hill and the bowling club.

Long time EPSC member Kevin Shanhun has been very busy reorganising the Club office in collaboration with Club board members and new accountants Lincolns. We are all looking forward to a new era of communication within the Club.

SATURDAYS social day brought out 34 players. Kaye Blight and Gus Woithe were bolters with a big score from John Erikson and Anne Flint who cantered home an easy second.

Thanks to our Friday night chef Glen who is leaving after 18 months of excellent service to the club. Our new chef starting next Friday evening is Pla of Pla's Thai Food. We are all looking forward to a change in menu.

The Tennis Club ran their annual BBQ on Saturday night. The members were privileged to enjoy some A1 lamb donated by Murray and Erin Hall who were honoured as WAMMCO Producers of the Month last month. Happy Australia Day.
