

THE EMU POINT BOWLER

16TH OCTOBER 2018

Tuesdays Scroungers saw a good field of 31. The in form Phil Ramsden took out first place with Tod Blight and Terry Martin also showing some form to take out the minor placings.

Good weather on Thursday brought out 45 players. Stan Ayre led his team of Geoff Sadgrove and Arthur Gorman to victory from the “John Team” of John Spencer, John Martin, John Bryant and John Shaylor.

Vice Captain Richie has been putting a lot of work into enabling disabled bowlers to come and have a bit of fun. They were here in force on Thursday enjoying themselves. Thanks Richie.

On that subject Club member Murray Field has lodged a very

professional application to the Stronger Communities Program for funds for a special needs toilet and access ramp for the Club.

Saturday was pennant practice day and reports coming back augurs well for the new pennant season for Emu Point.

This editor is enjoying some time up on the farm with the grand kids so am out of the loop for news. I did talk to Club President Mal who was bowling in a competition at Jerramungup and couldn't talk for long except to say he was bowling badly. I didn't want to say what's new.
