

Oct 10 - THE EMU POINT BOWLER

SCROUNGERS TUESDAY. There were only 18 players at scroungers this week as many regular players were at the very successful Albany "Dollar a Shot" carnival. The winner was the evergreen Phil Ramsden from Stan Ayre.

THURSDAY SOCIAL DAY saw an even 32 players with Phil Ramsden partnering with veteran Ted Vickers to take the honours from Allen Poor and Marion Marden.

On Saturday our Ladies 1st Div. Pennant team travelled to MB Golf and won 3 -1 and 2nd division had a very close contest at Denmark but lost the aggregate on the last bowl. Score 1 – 3.

Mean-while a good field of 37 players enjoyed the fine weather at home while getting in the mood for the forthcoming pennant season. Tear-away winners were Len Brown and Des Forbes from Ken Luff and Gus Woithe.

Andy McFarlane cut a dashing figure in his bright yellow shirt and made an excellent target for new player, sight restricted Serge Ansquer. The pair teamed up to win their first game but they needed the dog to help with the second.

Retired painter and maintenance man and keen Scroungers bowler Rob Greening was hard at it

painting the benches and window frames at the Club recently. Prefers to work by himself to make sure the job is done properly. Good job.
