

THE EMU POINT BOWLER

31ST MARCH 2019

SCROUNGERS. Something is wrong. The same players keep winning. But well done Ken Luff. He needs to get a job or something to keep him off the bowling green. Second and third were other perennial winners Terry Martin and Phil Ramsden.

Again on Thursday Ken Luff and Anne Flint won the pairs comp with Ron House and Mark Selby second.

Middleton Beach hosted a very successful triples carnival also on Wednesday and Thursday with a full field of 84. The Gnowangerup team of Bill Harris, Allan Shaddick and Micheal Johnston were the victors while the Crewie Olde team from Mid Beach were second followed by Mt Barkers Colin Toone team.

Snaggers is good for a substantial loan as he is feeling pretty flush after winning both the money board and the big money in the Calcutta.

Congratulations to Bryce Mclean, local teacher at “Grammar” who finally won our Chase the Ace competition on Friday night and took home \$500. Phil Wegner should also be congratulated for his initiative in running this popular event which has raised over \$30,000 for the Club. Thanks Phil.

Happy 80th birthday today Allen Poor. Seen here celebrating a win in the finals for Emu Point.

Congratulations to Emu Points 2nd Division Purple Pennant team on winning the pennant in 2019 against Mid Beach. Well done boys.

Unfortunately Emu point Red were defeated by winners Mid Beach Gold in their final. In 3rd division Mid Beach defeated Denmark in their final.
