## THE EMU POINT BOWLER

SCROUNGERS. Once again Scroungers had a happy field of 26 players. Leading the pack was Gus Woithe followed by Clive Smith and Terry Martin.

THURSDAY MIXED SOCIAL DAY. Another good field of 31 players enjoyed perfect conditions for bowls. Pairs was the order of the day and the winners were Paul Groves and Jim Hyde. 2<sup>nd</sup> John Erickson and Glen Plaisted (is that Toms brother), while 3<sup>rd</sup> was Gib Trethowan and the quickly improving Kelvin Crosby.

The rose garden is looking absolutely immaculate at the moment thanks to the constant care and attention of these two green thumbs who spend every Monday morning weeding, watering, clipping, chatting or whatever it takes. Pictured here in front of Norma's favourite rose is Ron with his old mate Wal.

Keen disabled bowler Chris is always there for barefoot bowls on Friday evening. Some charitable members have constructed bowls chutes available for this purpose and Chris looks delighted to get a nice group together here.
