

# THE EMU POINT BOWLER - 2<sup>ND</sup> OCTOBER 2017

of

We are finally into the real bowling season.

Opening day on Sunday was played in glorious Spring weather and was enjoyed by a happy crowd of sixty four bowlers.

Club President Wal invited three of our distinguished members to roll the first bowls the season. They were Joan Ward, Terry Arundel and John Beattie.

Devonshire afternoon teas were much appreciated followed by a well patronised sausage sizzle after play. Thanks go to the many helpers on the day.

Captain Len and helpers organized a popstick draw and the winners of the day were Helen Penny, Terry Henneker and Kaye Blight. Second place went to Bruce Day, Helen Brown and Margaret Connell. Third was the team of Terry Martin, Ron Brown and Barney

Doyle.

Thanks again to the sponsors of the day Len and Helen Brown of G & M Detergents and Reeves Butchers.

Members are reminded that our fixture books have been printed and now available at the Club thanks to sponsors Albany Printers in Lockyer Avenue.

Ladies Club Fours starts at 10.30 on this Wednesday 4<sup>th</sup>. It's a drawn event.

Besides the usual Tuesday scroungers and mixed social bowls on Thursday, the Mens Club Triples Round Robin is on next Saturday and Sunday. Make sure your name is on the sheet by Friday to be in the draw.

Good bowling for the season.
