

# THE EMU POINT BOWLER - 30<sup>TH</sup> OCTOBER 2016

## LAST WEEKS RESULTS

WEDNESDAY LADIES – Consistency singles commenced with 15 players, to be completed this week from 10am with social bowls at 1pm for other members.

THURSDAY SOCIAL – There was an excellent turnout of 56 including 6 new players. From a feather duster last week at Denmark (score 0-22), Eric Heal soared like an eagle (6+28) with Richie Sounness and Pat Henneker to blow away the competition. Paul Groves, new player Trevor Wilkerson and Pat Clarke came second on a countback from John Beattie, Marion Marden and Peter Hewson.

SATURDAY PENNANTS – Ladies 1<sup>st</sup> Div. lost to Mt. B, 0-4. Ladies 2<sup>nd</sup> Div. beat Walpole 4-0.

Mens Purple beat Walpole 5-1, Red beat Cranbrook 6-0.

Third Division – Emu Point beat Green Range 5-1 in trying conditions at Albany.

Midweek Wally Mycock and team of Mark Selby, Peter Hewson and Clive Smith travelled to Wals old stamping ground at Kukerin to play in their Carnival. Wal is a legend up there and had kisses from all the ladies and big handshakes from all the locals.

It was a great success with a full field, magnificent weather and wonderful camaraderie.

Those blokes are hurting up there with the F word and they found a bit of relief from farming down on the bowling greens with all their mates from near and far.

Ross Dichburn, District Coordinator for Mens Health spoke at the end of proceedings and gave us all a bit of encouragement and let everyone know that that they weren't alone. The Emu Point team was not disgraced and won on the first day but fell back to the field on the last. Bit like early leaders in the Melbourne Cup.

Speaking of which, all preparations are in hand for a great day at the Club. We are looking forward to in their fanciest men in something

seeing all the ladies attire and even the a little different.

Good Luck
