

## THE EMU POINT BOWLER - 25<sup>TH</sup> FEB 2018

SCROUNGERS – A record field of 33 played. Carl Connell played some excellent bowls to win the final from Stan Ayre. Dennis Tranter took the Plate from Lyn Richardson.

The John Cook Memorial Pairs event was held on Thursday. Kevin Crane is looking a little coy with partner Kaye Blight accepting the beautiful trophy from our long time sponsor Pat Cook.

### PENNANTS

Ladies First Division won their game from Mt Barker but all to no avail.

At the end of season Mid Beach secured the pennant trophy by one point from Emu Point and were last seen celebrating in style back at their club house.

Second division ladies lost their home game 1-3 against Denmark.

MEN – 2<sup>nd</sup> Division. Both Red and Purple are feeling pretty pleased with themselves this week having both secured the six point win. This puts E.P. Red on top of the ladder with Purple second. Red skipper Wal is pictured here celebrating in full Red Indian regalia. Is that first and second place he is indicating? He may have had a few red wines.

Third Division got over the line against Mt Barker 4-2.

A large crowd were in attendance to show their respects to John Beattie at his funeral last Friday.

There were many Emu Point members among the mourners there who formed an avenue to honour him. Condolences to Margaret and family.
