

JUNE 14TH 2020

THE EMU POINT BOWLER

Regular play started in earnest this week. Scroungers fielded 21 players with the winner being Len Mason from Yvonne Shalders. On Thursday Ken Luff and Brian Richardson won with 6+21 and then on Saturday Ken teamed with Helen McFarlane to win again. The match selectors need to nobble this guy.

Kelvin Crosby took this great photo to mark the end of seeding duties at his cousins farm up at Nyabing.

Due to the excellent efforts from our many volunteers our first solid metal shelter has finally been completed. Special thanks to our organiser Arthur Gorman and to our expert professional roofer Matt Mitchell who lead the team putting on the sheeting. Seen here hard at work is Doug, Kelvin, Mattie and Andy.

Our AGM was held this week to mark the end of a very happy and successful year although spoilt at the end by the Covid 19 restrictions.

Congratulations to the old and the new office bearers. AGM minutes attached.

This will be my last newsletter for the season and looking forward to the next.
