

THE EMU POINT BOWLER

OCTOBER 8TH 2018

It's been a big week at the Club this week. Friday night teas are going gangbusters with 125 happy people mingling and filling the clubrooms to capacity. Our chef Glen is doing a great job. Unlike last time, our popular Chase the Ace competition went off pronto with regular patron Jean Wanke winning \$400.

Our Mens Club Triples Round Robin was a great success with 24 players being a perfect draw and allowing all players to play each other over the weekend.

The winners pictured here were skipper and new member Mike Patterson, Ken Luff and Jeff Spinks.

Runners up were Mark Selby, Mal Brown and Ron North.

On Saturday, we all got to say good bye to two stalwart members of our club in Eric and Judy Heal who are going with mixed emotions to Safety Bay.

Sporting Club President Richie is advertising for a job vacancy for the following positions.

Lawn mowing and gardening, dispute mediator, Central

committee member, Briggs and Stratton mechanic, bowls and tennis player, social coordinator, plumber, drain cleaner, bar man, bin man, flag pole attendant, sheep breeder, jack of all trades and all backed up by a good woman. Thanks Judy and Eric for all your good work and company. We will miss you both.
