MELBOURNE CUP FASHION - the ladies looked great showing off their

headgear.

Mary Bryant was our regular, well respected hat judge and after some hilarious commentary selected the winners of the hat parade seen here.

**THE MAIDEN OAKS** The ladies joined in to provide an entertaining horse race. The track was slow and betting was a little uncertain but an outside chance got up and won. Congratulations to well-known trainer and owner Gibby for providing the horses from his stables.

Entering into the spirit of the day was Eric seen here chatting to judge Mary (I think). Margaret Connell was the main organizer but thanks also go to the many helpers who made the day such a great success.
