THE EMU POINT BOWLER

Things are slowly getting back to normal at bowls. We have been having pretty good roll ups for scroungers, Thursday and Saturday afternoon social bowls -- social distancing, hand sanitizing and all the other protocols prevailing.

We are all looking forward to some socialising after bowls when the bar is hopefully opened next Saturday.

Bowls President Mal has had an excellent two years leading the Club and was keen to mark his the end of his tenure with well stocked esky which was enjoyed and

appreciated by the Thursday players off site after the game. Thanks Mal, but there is still a couple of meetings to go before you go. Mens meeting this Thursday 4th June, 4 pm after bowls and Bowls AGM the next week 11th June, 4pm. Just a reminder. Also Ladies meeting Friday 5th June at 9 am.

This photo taken up on the farm during the week reminded me of the green shoots of the next bowling season. All set for an excellent year.

Note for farmers - 44y27 RR canola @ 10 inch spacing, 1.5 Kg/ha.

look at these.

New Public Benches Have Arrived

We may have to
