

THE EMU POINT BOWLER 30TH APRIL 2017

ANZAC DAY 24 players enjoyed a pleasant afternoon of bowls. Phil Ramsden, Wal Mycock and Norma Adams won the day but all the winnings and proceeds of the day were given to Legacy – some \$350. Lest we forget.

On Thursday the usual social bowls comp. saw 38 players playing on a perfect Albany autumn day. The winners were the much practiced Gib Trethowan, Jean Vondeling and Kevin Crane with runners up John Beattie, Pat Henneker and Colin Crane.

The last mens carnival for the year was held last weekend at Mt. Barker. This is always a huge success with a waiting list for entries. Emu point wasn't disgraced with first day winners being Richie Sounness, Paul Groves, Peter Hewson and Allen Poor.

A combined team of Richard Plant(Potter), Len Brown, Terry Martin and Phil Ramsden came a creditable overall fourth but the winners were the famous team from Gnowangerup of Vic Wellstead, Bill Harris, Des Murray and Mike Harris.

We are nearly at the end of the bowling season but for those crazy bowls addicts all is not lost. Get onto the Bowlsaustralia.com.au website, sign up and read their e newsletter during the winter. Our website is at emupointsportingclub.net with the password emupoint.

Also watch bowls on SBS every Sunday at 3pm from the 14th of May. Of course social bowls will continue through winter on Thursdays and Saturdays, weather permitting. Friday night meals will also continue.

See you all for our last official fixture "The Battle of the Sexes" next Saturday.

Bowlers Brains

A native approached the cannibals meat shop, where the special of the day was 'Bowlers Brains'. These were priced from \$1, \$2, \$3 and \$10. The price difference puzzled the customer and so it was pointed out that, brains at \$1 belonged to bowlers who had been leads, the \$2 ones to those who had been seconds and the \$3 ones to those who had been thirds. Of course the brains marked at \$10 belonged to the bowlers who had been skippers. When questioned about the unexpectedly high price put on skips brains. The Shopkeeper explained, 'Well, they're really very rare, you wouldn't believe how many skips we have to

kill before we find one with a set.
