

THE EMU POINT BOWLER 20TH MARCH 2017

No Scroungers or Wednesday Ladies day this week due to our big Emu Point Pairs event on those two days. The first day was extremely trying with 45kph gusts of wind followed by rain. The final day improved as the day wore on. The victors who managed to master those atrocious conditions were Billy Foster and Bluey Klinberg from Denmark. Coming second was the pair of Lou Mancini and R. Nichols from Mid Beach and third Mike Elsey and J. Bibble, Albany. Thanks to the hard work put in at the kitchen by the ladies who provided much appreciated sustenance over the two days. We really needed it.

In contrast Thursday saw 44 players enjoy benign weather for social play. Winners were Bruce Day, Sheryl Walsh (Thornlie) and Eric Heal. Second was Ron House, Colin Crane and Des Forbes. Coming third was Rob Guelfi and Gus Woithe.

The time

ladies looked to be having a good at the Annual Ladies Wind-up luncheon held this year at Frenchies.

Once again there was a big contingent of locals and visitors on

Friday nights dinner.

Some got into the mood of

Saint Patricks Day.
