

Newsletter 26 November 2023

But wait – there's more! Another win to an Emu Point team during the week. Athol Ward, Kelvin Crosby, Dorrie King and Glenda Ward took away the main prize at Thursday's Mixed Fours Carnival which was held at Denmark.

Kelvin Crosby is having a purple patch of great form. He won Scroungers on Tuesday for the second week in succession. His score of 83 points, reduced to 79 after handicap, enabled him to beat Noel Parkin who scored 77 and Peter Hewson scoring $77 - 4 = 73$. Kelvin may find another win a little more difficult now that he has an 8 handicap.

Ken Luff, Len Mason and Issy Mason romped it in with a convincing win at Thursday Triples with their score of $6 + 22$. Trevor Squire, Yvonne Shalders and Gib Trethowan were second with $3 + 5$ and Jan Jefferis, Bruce Seymour and Marion Squire third with $3 + 2$.

In Men's Pennants, 1st Division Red had a resounding win over Albany Gold 6/77 to 0/41. To the despair of those in the 1st Division Purple camp, for the second time this season, they lost their match by one point. Mt Barker defeated them 5/53 to 1/52. 2nd Division White 1/52 lost to Albany Grey 5/55 and 3rd Division Blue 1/51 lost to Green Range 5/66.

There were no Ladies Pennants fixtures because of the inter League Round Robin.

A few reminders for members. Bowlers interested in playing in the coming ILRR events need to add their names to the nomination sheets ASAP. Those intending to order an Emu Point jacket need to add their names to the list by the end of the week.
