

THE EMU POINT BOWLER – 19TH NOV 17

20 players fought for the lead at scroungers on Tuesday. Ray Lewis won after a one bowl shootout from John Bryant with Allen Poor taking the Plate.

On Thursday Lyn Pinney, Kaye Blight, Pat Adlam and Lyn Richardson scored a creditable 3rd at the Denmark Ladies Gala Day.

At home for social bowls Gordon Clarke, Geoff Spinks and Peter Hewson won the day from Jean Herstead, John Richardson and Geoff Sadgrove.

Also away, Des Forbes combined with Arthur Crabbe, Kevin Heberle and Bill Seward to come 2nd at the Gnowangerup Blue Ribbon Mens Classic last week.

There was an excellent rollup of volunteers on Monday morning to help roll up the old carpet on A green. There is still some for sale at \$100 for a 20 x 4 metre length or \$200 for a full 40 m. length. Excellent for around the garden, the garage or even a grandkids cricket pitch. Also for sale is underlay which would be very good for weed mat or water conservation in the garden.

After finding that the surface was not up to standard we had to revert to the original quote to completely remove the top 100mm and replace with “Sportscrete” before installing the new Ultra + synthetic surface. A perfect surface is guaranteed with a tolerance of 1.5mm.

A short meeting of available members voted unanimously to go along with that.

After the meeting, the contractor Mark Frazer

advised that as the new green was a much bigger job than anticipated and that he could not do both greens at the same time. After some discussion we agreed that he will do the other green immediately after our Mens Classic on the 10th of January.

We obtained a discount and that arrangement means that we can continue bowls on one green while getting the new one in excellent order.

PENNANT RESULTS
