

## THE EMU POINT BOWLER – 22<sup>ND</sup> JAN 2017

It's great to be a bowler at Emu Point with such magnificent summer weather.

SCROUNGERS last Tuesday was won by Peter Hewson with Colin Crane winning the Plate.

WEDNESDAY LADIES played the first day of their Triples Championship. Finals are to be played next Wednesday.

THURSDAY social day was a pairs competition and the winners were Jean Vondeling and Geoff Sadgrove with John Richards and Pat Clark second.

LADIES PENNANTS on Saturday saw 1<sup>st</sup> division ladies defeat Denmark 3-1 and 2<sup>nd</sup> division ladies also defeating Denmark 3-1.

MENS PAIRS CHAMPIONSHIP was played on Saturday and Sunday. The format of 2-2-2-2 proved to take too long to be completed in two days as some payers would have to play three games in the day. In the final Terry Arundel and Allen Poor will take on Len Brown and Terry Henneker. Both teams are playing excellent bowls and both the main game and the plate will be played at a later date.

Good luck to all four teams.

At a Special General Meeting last Thursday it was decided that the Club will go ahead and have two new greens installed. We will decide on an installer this week and hopefully will have them on site in May. Club President Wal is putting every waking moment into making sure all details are taken care of.
