The Men's Pennants season started with 3<sup>rd</sup> Division team Emu Point Blue taking on Denmark. In front of a vocal crowd, a very close contest went down to the very last bowl. The visitors prevailed to win the match 5/54 to 1/52.

In Ladies' Pennants, 1<sup>st</sup> Division Red 4/42 defeated Mt Barker Golf 0/34 and 1<sup>st</sup> Division Purple 1/30 lost to Albany Green 3/43. 2<sup>nd</sup> Division Blue had a bye.

On a day of very close scores at the top end, this week's winner at Scroungers was Peter Hewson who beat Phil Wegner on a countback, with both bowlers scoring 76 points. Equal third were Colin Anning and Phil Ramsden on 75 points.

On Thursday, Len Brown, Bruce Seymour and Peter Haywood led the field with the good score of 6 + 25. Second were Kaye Blight, Brian Richardson and Kevin Crane with 6 + 12 and third were Tery Martin, Gavin Heseltine, Barry Savage and Robert Young on 6 + 11.

Murray Martin took a large number of photos at the 50<sup>th</sup> Anniversary Day and he has produced an album which includes enlargements of many of these photos. This terrific record of Emu Point history is now placed on the shelf below the Men's noticeboard and is well worth your inspection. Well done, Murray.

On Wednesday, the Club hosted the Camp Quality Wescarpade Group. This group of people were in the process of participating in a car rally from Newdegate to Bunbury and they stopped at Albany during the week. Their mission is

to raise money to support kids and families experiencing the traumatic realities of cancer. So far this year, they have raised nearly \$300 000. They enjoyed a game of barefoot bowls at the Club on Wednesday, followed by a meal in the Clubrooms catered by Brian Smith and his team of Emu Point Sporting Club members.

During the bowls session, Steve Cockerell stepped into one of the teams to replace a lady who had been called away to be interviewed by Channel 7. Much to the dismay of the opposing team, he promptly drew a bowl onto the jack. A disgruntled opposition bowler threatened to cut his legs off, but he was very considerate about it. He gave Steve the option of them being cut off above the knee or below the knee!
