

THE EMU POINT BOWLER

11th NOVEMBER 2018

Congratulations to Izzie Mason and Jan Jefferis on being selected for the ILLR Pairs to be held at Mt Barker Golf on November 24 & 25.

Phil Ramsden overcame his 3 point handicap to win at Scroungers on Tuesday followed by Kevin Crane and Terry Martin.

Walpole might have their Valley of the Giants but there is another giant standing proud in the lush pastures of Papa-Colla Grazing Co. at the foothills of the Porongerups. Richie Sounness's inspired work of art – "Mountain Giant">>>>

Mark Selby holidayed to the Gold Coast recently and was impressed by this fantastic indoor bowling rink at Tweed Heads. How many members have they?

The Bowling Club looked in pristine form on Saturday night, decorated beautifully by the local ladies for the windup of the prestigious National Rose Conference. Congratulations to Sheryl Shaylor and her hard working committee for running one of the best Rose Weeks for years according to facilitator Neil. It was a great success. Thanks go to Steve Tuffley and his helpers for professionally steam cleaning all the club chairs. Also to Nan and Richie Sounness who washed and re waxed the floor. The Club and surrounds all look a picture thanks to the many members who quietly volunteer their time.
