

SEPTEMBER 28 2020

THE EMU POINT BOWLER

Welcome to another exciting season of bowls at Emu Point. The ladies had their Opening Day last Tuesday with a good turn out.

This well known lady in her 90s is as keen as ever and still comes down during the week to improve her skills. There is hope for us all yet! Talking of improving your skills, there will be a coaching clinic for all members tomorrow

Tuesday 29 at 9 am. Three well qualified coaches have a well-planned session to help you sort out your little problems.

A big thanks to those many volunteers who worked tirelessly throughout the winter months. Cooking, cleaning, getting sponsorship, organising games, organising the fixtures, finances, gardening, work on the greens, building the new shelters, the list goes on. Here we have members hard at it installing our new middle shelter. Special thanks to Arthur Gorman who designed and

organised the project. That will be well appreciated on the next rainy day.

“Volunteers don’t get paid, not because they’re worthless, but because they’re priceless.”

**We love our
VOLUNTEERS!**

The Club Opening day will be on Sunday 4th October. G&M Detergents are sponsoring a mixed triples. See you all there in your whites at 12.45pm.
