

1 DECEMBER 2019

THE EMU POINT BOWLER

All our members were saddened to learn of the passing of Norma Adams. She has been a staunch member of the Sporting club for 30 years first as a tennis player and later as a bowler. As a mark of respect the Club had a one minute silence before bowls on Thursday to remember her. The Club sends its condolences to Ron and family.

Normas favourite - the Brigadoon Rose.

SCROUNGERS. Bowlers came out in their droves for the lovely weather on Tuesday. Winner for the day was ken Luff. Second Terry Henneker on c/b.

ON WEDNESDAY ladies played the first tranche of their Championship 4s played in a round robin format. To be continued on Wednesday 11th December.

Malcolme and Arthur brought their combined practical skills together to refurbish an old mower and rebirth it into a sweeper seen here being fine tuned on its first run. This will maintain the greens in pristine condition and save the club thousands of dollars by not using a contractor for this essential job. Well done boys.

THURSDAY. A pairs competition saw Doug Wright and Mike O'meara win from Leo Tuffley and Ron North.

PENNANTS. The tide was out for mens bowls this week. Red was defeated 1-5 by Albany Green. Purple was defeated 0-6 by Denmark. Blue was defeated by Mt Barker 5-1 and Mid Point were defeated 1-5 by Golf. Ladies had good wins. 1st Div. 4-0 against Golf and 2ND Div. 4-0 against Mt Barker.

Winners of the Mens Championship 4s on Sunday in a evenly matched teams event were Mark Selby , Mike Patterson, John Shaylor and Andy McFarlane.
